Newsletter 04-03-22

Loving God,
We pray for the people of Ukraine,
for all those suffering or afraid,
that you will be close to them and protect them.
We pray for world leaders,
for compassion, strength and wisdom to guide their choices.
We pray for the world
that in this moment of crisis,
we may reach out in solidarity
to our brothers and sisters in need.
May we walk in your ways
so that peace and justice
become a reality for the people of Ukraine
and for all the world.
Amen.

I am in no doubt that you are as overwhelmed and saddened by the appalling crisis in the Ukraine as I am. I know that this is also affecting many of our children as they try to make sense of the news streams and information that they are accessing. Many may well be suffering from increased levels of anxiety and fear or anger.

I have attached a link to Babcock's advice about talking to children which includes further references you may wish to look at.

<https://www.babcockldp.co.uk/latest-news/discussing-the-news-with-children>

I have also attached a copy of the guidance that Trauma Informed Schools have produced to support adults in talking to children about the war.

I know you will continue to pray for a speedy and peaceful resolution to this conflict.
