PRAYER FOR OUR WORLD

God of all

Open our eyes to what is unfolding in the poorest communities around the world

Lord save our planet

Help our world leaders to lead change to preserve the world's beauty

Lord save our planet

Help us to come together to be good stewards

To guide the world back to its glory

Lord Save our planet

Open our eyes Lord

To the beauty of our world

Open our eyes before we don't have a world to open our eyes to

Amen

CLASS 3 ENJOYING THE SUNSHINE

Live, Love, Learn in a Caring Catholic Community

Class 3 have started to create a beautiful, quiet garden area at the side of their classroom. They are hoping to create this into a quiet prayer space or reflection area that can be eventually used by the whole school. Class 3 Chaplains have asked if anyone has any plants, tubs or gardening tools that they don't want and would like to donate to their garden area then they would be very pleased to receive them. A big thank you from Class 3 and the Chaplains.

COACH BEN IS FUNDRAISING

Ben and a few other coaches are taking on the 3 peaks in 24 hour challenge at the end of the month:- climbing Ben Nevis, Scafell Pike and Snowdon in 24 hours.

They are raising money for Action for Children, who protect and support children and young people, providing practical and emotional care and support, ensuring their voices are heard, and campaigning to bring lasting improvements to their lives. Last year, we helped more than 387,000 children and families across the UK.

Please visit Ben's page if you are able to donate to this cause.
