

St john the Baptist RC school Pupil premium strategy statement 2020-21

"I was disadvantaged as a child, yet I had the advantage of being in the company of great teachers."

(A.P.J. Abdul Khan, 11th President of India)

"Every one of our children is carrying something the world is waiting for – it's just the world hasn't got it yet," Sister Judith
Russi

The 'Pupil Premium' is a government initiative that provides extra funding aimed at pupils from disadvantaged backgrounds. Research shows that pupils from deprived backgrounds underachieve compared to their peers and that there is a strong link between eligibility for free school meals and underachievement. The Pupil Premium is designed to help each school boost the attainment of disadvantaged children and reduce the gap between the highest and the lowest achievers. The government has used pupils' entitlement to free school meals (FSM) and children looked after by the local authority (CLA) as an indicator for deprivation. The funding is allocated according to the number of pupils on roll who have been eligible for free school meals at any point in the last 6 years (known as 'Ever6 FSM'), an allocation for each pupil who has been 'Looked After' (in care) and a smaller amount for the children of service families.

Principles

- To ensure that teaching and learning opportunities meet the needs of all pupils.
- To ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged are registered for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil, or groups of pupils the schools have legitimately identified as being socially disadvantaged.
- Pupil Premium funding will be allocated following a needs analysis which will identify priority groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

1. Summary information and evaluation of 20-21					
	19-20	Total PP budget	17,795	Date of most recent PP Review	
Total number of pupils	81	Number of pupils eligible for PP	10 (14)	Date for next internal review of this strategy	Dec 20

2. Intended outcomes				
	Intended outcomes and how they will be measured	Success criteria		
A.	10 pupil premium pupils make at least expected progress from their starting points. Baseline data Pira and Puma tests to be carried out first week back Teacher assessment External assessments at the end of KS1 and KS2	Pupil premium pupils make accelerated progress in external tests in Foundation, Year 1, and end of key stages and are closing the gap between them and their peers. Read, Write, Inc programme helps pupils make accelerated progress from their starting points- targeted provision		
В.	More able pupil premium make better then expected progress and targeted pupils achieve greater depth across all 3 areas.	More able pupil premium make better then expected progress and targeted pupils achieve greater depth across all 3 areas.		
C.	Children are emotionally resilience and able to manage effectively their own emotions and relationships.	Children who receive counselling are in a place to access their learning and reach the expected standard for their age group by the end of the year All children/families being supported by counsellor presently are pupil premium.		
D.	Children speak confidently about their own learning, what they do well and what they	Re- evaluate feedback policy to consider whole school feedback		

need to get better at and take more ownership of managing the next steps in their learning. They receive feedback, can confidently feed back to others and respond positively and independently to the feedback.	children have a greater awareness of their own learning, feedback is effective Children can talk confidently about their next steps using the 'language of learning.'
