DESIGN A 'PREVENT MARINE CRIME' POSTER COMPETITION

St John the Baptist School children were invited by the police to enter into a competition with Salcombe Primary School children to design a special poster. The subject was to raise awareness about marine crime as there has been a recent spate of it and so the winning poster will be printed for the public to see as a warning to boat owners and potential thieves! The Harbour Master chose Evie-Grace's poster as being the most informative and creative design. Well done Evie-Grace. We look forward to seeing the poster around town and in the marinas in the summer months.
